Cambridge Engineering Factory Tour

About the Tour:

This tour will give attendees an inside look into Cambridge Engineering's company culture and their "lean approach" - an approach that has transformed the organization, along with hundreds of other companies who have found it to be inspirational!

Attendees will have the opportunity to hear from Cambridge Engineering leadership, who will provide insights on the company metrics, culture and "lean approach". This will be followed by a factory tour, which will allow attendees to see the direct-fired heating and evaporative products that Cambridge Engineering manufacturers and interact with workers on the manufacturing floor.

Important Information to Know Before You Go:

- There is a \$25 non-refundable fee to register for the tour. Cancellations/No-Shows will not be refunded.
- The tour of the factory will be approximately 1 hour long.
- Please be sure to meet at the Westin St. Louis lobby 15 minutes prior to departure time to board the bus.
- Remember to wear comfortable walking shoes. Closed-toed shoes are required.
- Safety glasses will be provided to you at the facility.
